## PROFESSIONAL SUMMARY

Full Stack Engineer with 4+ years of experience building scalable web applications using React, Next.js, Node.js, Nest.js, Python, and PostgreSQL. Skilled in developing SaaS platforms, optimizing API performance, and implementing CI/CD pipelines on AWS. Adept at translating business requirements into high - quality technical solutions with a focus on performance, usability, and maintainability.

## EDUCATION

**Diploma** 2016 - 2019
Mptc vadakara,kerala Grade: 8.51/10.0

**Matriculation (Class X)** 2015 - 2017
Gvhss Kattikulam Grade: 80.0%

## EXPERIENCE

**Full-Stack Developer** July 2022 - Present
Deedbee Social Ventures Private Limited *Bengaluru, Karnataka, India*

Professional Summary

Full Stack Engineer with 4+ years of experience building scalable web applications using React, Next.js, Node.js, and PostgreSQL. Skilled in developing SaaS platforms, optimizing API performance, and implementing CI/CD pipelines on AWS. Adept at translating business requirements into high quality technical solutions with a focus on performance, usability, and maintainability.
Designed and implemented responsive UI components using React and Tailwind.
- Built scalable backend APIs using NestJS and PostgreSQL with Drizzle ORM.
- Deployed applications on AWS (EC2 + RDS + S3) with environment-based configurations.
- Integrated authentication, logging, and monitoring for performance visibility.
- Collaborated with QA and DevOps teams for CI/CD setup and release management.
- Participated in code reviews, performance tuning, and feature optimization.

Core Technical Skills

**Frontend:** React, Next.js, Vite, Redux, Tailwind CSS, TypeScript
**Backend:** Node.js, NestJS, Express.js, REST APIs, GraphQL
**Database:** PostgreSQL, MySQL, MongoDB, Drizzle ORM
**Cloud / DevOps:** AWS (EC2, RDS, S3, CloudFront), Docker, GitHub Actions
**Tools:** Postman, Figma, Jira, VS Code

**Other Skills:** python, Unit Testing, CI/CD, Authentication, Caching, Security Best Practices

## INTERNSHIPS

**Newton school-Full-Stack Web Development** November 2021
Newtonschool *Banglore*

Full Stack Web Development along with Problem Solving.

Technical Stack learnt: HTML, CSS , JavaScript and React.

Participated in various Coding contests organized by the platform.

Worked on various projects Movie Booking, Whack a Mole Game, stop watch, Mcq question page, Resume Building etc. etc.

**Industrial training in html and php** December 2018 - December 2018
Riss Technology *Ernakulam*

Understand the principles of creating an effective web page

practiced one small project

## PROJECTS

**AI Case Review Analyzer** January 2026

- Implemented API-driven AI workflows using **NestJS ,sql ,docker ,aws, python**.
- Designed structured JSON schemas for AI input and output processing.
- Built rule-based and AI-assisted suggestion generation logic.
- Demonstrated practical AI integration without overengineering complex models.

**My Bill App — Personal Projects** ( Demo ) November 2025

- Built a mobile-friendly expense tracking application using **Next.js 15**, **TypeScript**, and **Tailwind CSS**.
- Implemented secure authentication and database management using **Supabase Auth** **PostgreSQL** with Row Level Security (RLS).
- Developed features such as expense CRUD operations, dynamic categories, monthly/weekly analytics (charts), and profile management.
- Designed a modern, responsive UI with animations using **Framer Motion** and data visualizations using **Recharts**

## CERTIFICATIONS

**Sololearn learning platform** Sololearn January 2022

- SoloLearn is a free programming and coding education app designed **to teach the basics of software development**.
- Normally a time-consuming process, SoloLearn makes it quicker and simpler by breaking down programming concepts into easy, digestible, daily lessons
- Learn js in basic level

## SKILLS

**Computer Languages:** SQL, JavaScript, CSS, HTML, Python
**Software Packages:** Express JS, React, Tailwind CSS, Tailwind
**Additional Courses:** Data Structure
**Soft Skills:** Communication Skills, Presentation Skills, Responsibility, Critical Thinking, Leadership, Public speaking
**Others:** OpenAI API, Generative AI, Product Management, AWS

## EXTRA-CURRICULAR ACTIVITIES

- Volunteer of Tech fest conducted by Mptc college vadakara
